

Lifting Made Easy

Discover Solutions From Galaxy Lifts
Cargo lifts and passenger lifts for your home and business

Why a Galaxy Lift?

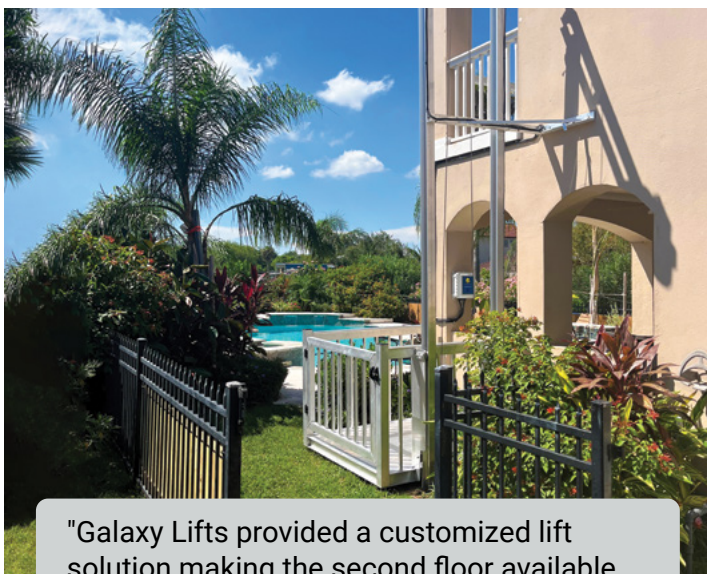

"We use our Galaxy lift daily since we remodeled our home." – KATHY M.

365 EVERYDAY
ACCESSIBILITY

Improve Safety and Mobility

Our indoor and outdoor elevators do the heavy lifting. Say goodbye to the pain of moving bulky or large items that pose a serious fall risk on stairs and say hello to safe access.

"Galaxy Lifts provided a customized lift solution making the second floor available to my tenant." – RICK E.

2-3 TWO OR THREE STOPS

Make Lifting More Convenient

When stairs are a hassle, Galaxy lifts keep life moving with the press of a button. From groceries to luggage, move items with ease between the ground level and multiple stories of your home or business.

"I no longer have to worry about the safety of my family on the stairs." – BILLY K.

2X INCREASED ROI

Increase Your Property Value

Cargo lifts and passenger lifts are more affordable and less disruptive than elevators. Galaxy lifts are an investment that add value and expand the use of any building.
