

With a lifting speed of over 14' per minute, our Cargo Lifts will meet all expectations. Our Cargo Lifts come standard with a triple bearing head assembly, stainless steel cables, gate opening on the basket and our own wireless remote control system.

As a Texas based manufacturer, all of our products are proudly made in the USA. Galaxy Unlimited, LLC has developed an outstanding reputation for exceeding industry safety standards with an extensive quality assurance program. Our team of professional design engineers build a quality product with the end user in mind. When purchasing a Galaxy lift you become

a customer for life.
